Oscar Ozeta
Software Developer

 enrique.ozeta@gmail.com ● (720) 415-4906 ● https://www.linkedin.com/in/oscar-ozeta-17481416a/

WORK EXPERIENCE:

SOFTWARE ENGINEER INTERN, *ICR INC.***,** GOVERNMENT CONTRACTED DEFENSE COMPANY, Aurora, CO**.**
2019-05 - 2019-08
Contributed a generic user configurable parser, irc chat command interface, and status dashboard to ICR's largest products.
• Developed Web components using the Angular framework and verified correctness and coverage with Jasmine.
• Designed and implemented a Http REST interface between Angular and Java Spring Data Rest.
• Utilized Agile processes to collaboratively produce a Dashboard that monitors multiple clients.
• Created a command line tool called ChatBox in an existing angular project.
• Wrote clean, clear and well-tested code for various projects such as Parser Config, Parser Config Repo.
• Assisted in software design of common reusable parsing framework to eliminate future company cost.
• Developed UI/UX with JavaScript, HTML5, CSS3, and Angular Material.
• Implemented code using Test Driven Development and Single Responsibility Principle to ensure clean code allowing future projects to reuse methods eliminating company costs and person-hours.
• Go-to person for Parser Config UI and Angular.
• Worked on Linux based machines.

EDUCATION:

B.S. Computer Science & Math and Computer Engineering Minors, **University of Denver** at Denver, CO.
2017-09 – 2021-05
Graduating in 2021
• Intro to CS I, II, III
• Web Programming I
• Algorithms
• Computer Organization
• Operating Systems
• Intro to Game Design
• Procedural Programming
• Programming Languages

SOFTWARE:

• Java   ● Internship Usage (6) Courses at DU (Intro to CS I, II, III; Systems programming; Computer Organization; Algorithms)

• Angular   ● Internship Usage (0) Courses at DU (;)

• Git   ● Internship Usage (2) Courses at DU (Algorithms; Web Programming)

• C   ○ Internship Usage (1) Courses at DU (Procedural Programming)

• TypeScript   ● Internship Usage (0) Courses at DU (;)

• JavaScript   ● Internship Usage (1) Courses at DU (Web Programming)

• CSS & HTML   ● Internship Usage (1) Courses at DU (Web Programming)

• C++   ○ Internship Usage (1) Courses at DU (Systems Programming)

• Datastructures   ● Internship Usage (3) Courses at DU (Algorithms; Intro to CS: II,III)

• Hibernate   ● Internship Usage (0) Courses at DU (;)

• Jenkins   ● Internship Usage (0) Courses at DU (;)

• Docker   ● Internship Usage (0) Courses at DU (;)

• CI/CD   ● Internship Usage (0) Courses at DU (;)

• PostGIS   ● Internship Usage (0) Courses at DU (;)
